CEU Certificate Information

Conference name badges include a bar code which will be scanned in and out of each session. If you wish to receive a certificate detailing the sessions and hours you attended, please be sure to register for the optional continuing education certificate. If you are unsure if you registered for a certificate, please visit the Conference registration desk. You are encouraged to have your badge scanned even if you do not think you will need a certificate. The data will be stored and you will be able to order a certificate at any time, should you require the information in the future. If you are certain you will never need a certificate, you may opt out of the badge scanning by simply telling the student you do not need your badge scanned.
